

Dear Families,

I am incredibly thankful for UCP of the North Bay's Bike and Swim Camp and the profound impact it has had on my son Nico.

Play Without Limits

Recreation Services

The program not only developed his physical skills but also boosted his confidence and independence. The dedicated staff created a supportive environment that made a real difference in Nico's life. Now, he can finally ride along with his older brothers.

I wholeheartedly recommend UCPNB's bike camp to others seeking a transformative experience for their children.

Sincerely,
Jessica Somoff
