### School Accountability Report Card Reported Using Data from the 2022–23 School Year

California Department of Education

### For Cypress Secondary School

Address: 3835 Cypress Drive, Suite #103, Petaluma, Ca.94954 Phone: 415-867-2881

Principal: : Nate Yates Grade Span: High school -post secondary

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <u>https://www.cde.ca.gov/ta/ac/sa/</u>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <u>https://www.cde.ca.gov/fg/aa/lc/</u>.
- > For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <u>https://dq.cde.ca.gov/dataquest/</u> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <u>https://www.caschooldashboard.org/</u> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### Table 3: School Description and Mission Statement (School Year 2023–24)

Cypress Secondary School began operation in August 2007 as a non-public school for developmentally disabled children and young adults with autism and similar disabilities. In addition to autism and/or similar disabilities, our children/young adults have moderate to severe developmental disabilities, and intensive behavioral, learning and communication challenges. Cypress School has effectively supported students whose severe learning and behavior problems preclude their safe learning and/or the safe learning of others in public school special day classes. Positive behavior assessments, supports, and intervention plans have been successfully implemented across classroom and community program activities and updated as needed per student progress. Our student families are involved through planning and updating Individual Education Plans (IEP), consulting with home-based activities, and participating in school picnics and parties. By emphasizing individual interests, motivation, and reinforcement strategies, our students are succeeding!

Cypress Secondary School Students ages 12-21 are being served by 34 full time Instructional Aides, five fully credentialed Special Education Teachers, two Board-Certified Behavior Analyst, Speech and Language Pathologists, Counseling, and Occupational Therapists. Our students also benefit from consulting services from an Adaptive Technology Specialist, Music, Photography, Dance, and Gardening opportunities. School Districts include Old Adobe Union SD, Fairfield/Suisun, Vacaville, Sonoma Valley, San Rafael, Tamalpais Union HSD, Kentfield, Novato, Santa Rosa, Rincon Valley, Cotati/Rohnert Park, Petaluma, Sebastopol, Napa Valley, Windsor, Ross Valley, Larkspur, Reed Union, San Francisco, Alameda, & San Mateo, Vallejo City, San Francisco, Konocti Unified SD and West Contra Costa SD.

Building on individual learning strengths and utilizing best practices, multi-disciplinary, and evidence-based methods, Cypress Primary School provides students with assessments to determine learning style, IEP goals, and daily safety and community integration needs. Cypress School individualizes an adapted curriculum designed to help build meaningful skills across a variety of situations and settings in the classrooms and community. Students learn functional academics, living skills, vocational, communication, sensory and behavioral regulation, and social skills.

Coordination between the classroom teacher, Designated Instructional Service (DIS) therapists, families, and After-school Coordinator is a key element supporting our student's IEP progress throughout the school and extended school year. Transportation DIS services are provided by Cypress School staff – continuing positive behavior supports and reinforcement plans consistent with school plans and providing optimum student safety. Additional Designated Instructional Services are provided per IEP for Transition services are provided back to public school and for those moving on to adult services.

### A. Conditions of Learning

### **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching.
- Pupils have access to standards-aligned instructional materials
- School facilities are maintained in good repair

Note: The data in this table is based on full-time equivalent (FTE) status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

### **B. Pupil Outcomes**

### **State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

• Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessment [CAA] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. Smarter Balanced Summative Assessments and CAA for ELA in grades three through eight and grade eleven.
- 2. Smarter Balanced Summative Assessments and CAA for mathematics in grades three through eight and grade eleven.
- 3. California Science Test (CAST) and CAA for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### C. Engagement

### **State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

• Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

### Table 24: Opportunities for Parental Involvement (School Year 2023–24)

Cypress School's focus is on increasing the involvement of all parents, but especially the involvement of parents of at-risk, underachieving, and chronically non-performing students with significant, 24/7 academic and/or behavioral/mental health challenges. Cypress is committed to helping school and community-based professionals work with parents to coordinate and integrate all of the services, supports, and intervention programs being provided.

Among the activities that Cypress School engages in relative to Family Outreach are the following:

- Conducting needs assessments to look at the current and desired state of parent involvement and home-school-community collaboration
- Organizing building staff around collaboration and family involvement/outreach through the school improvement process and plan
- Teaching parents about the school's academic program and how to support students at home relative to their IEP goals.
- Directly training parents to transfer critical adaptive skills and behavioral interventions into the home
- Creating Bi-weekly Parent Support Forums, to encourage parent participation in school activities and parent access to training and learning materials.

#### Cypress School Parent Involvement Outcomes for this component:

- Needs Assessments for Parents, Home, Community, and other Stakeholders
- Resource and Asset Mapping for Parents, Home, Community, and Other Stakeholders
- Increasing Parent Involvement Both at School Events, and At Home in Supporting the Schooling Process
- Parent Training and Involvement in Academic Supports and Positive Home Adaptive Skill Training offered bio-weekly.
- Involving and Aligning Community Social Service, Mental Health, and Related Agencies-especially for Behaviorally Challenging Students

### State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

### Table 30: School Safety Plan (School Year 2023–24)

The Cypress School Safety Plan is reviewed annually in January of each year. Last review was January 2023.

The School Safety Planning Committee reviews the site safety plan and makes necessary updates and revisions. The safety plan includes the following components: (Ed Code 35294.2)

- 1. Child abuse reporting consistent with Penal Code 11164.
- 2. Policies pursuant to Educational Code 48915 and other school-designated serious acts which would lead to suspension, expulsion or mandatory expulsion recommendations.
- 3. Procedures to notify teachers and counselors (amended Welfare and Institutions Code 827) of dangerous students pursuant to Education Code 49079.
- 4. A sexual harassment policy pursuant to Education Code 212.6
- 5. Procedures for safe entrance and exit of students, parents/guardians and employees to and from the school
- 6. The rules and procedures on school discipline adopted pursuant to Education Code 35291 and 35291.5 (5411-discipline) in order to create a safe and orderly environment conducive to learning at school.
- 7. Routine and Emergency Disaster Procedures that include:
- Emergency and Disaster Preparedness Plan
- Fire Drills
- Bomb Threats
- Active Shooter
- Earthquake Emergency Procedure System
- Transportation Safety and Emergencies
- Defensive Driving Course
- CPR

As many of our students have challenges with Sensory Impairments (over-sensitivity and under sensitivity to daily activities), the whole school is involved in supporting environmental and teaching method modifications. To assist our students, we have an extra-large OT room with a therapy swing, rock climbing wall and OT toys and adaptive equipment to assist with our students who are confronted by sensory integration challenges. In our second OT room, we have a Lycra swing, a carpeted barrel and more toys and adaptive activities. The OT's help our students to be better learners by integrating their therapy programs into the classroom, community, and home activities.

Many individuals with Autistic Spectrum Disorder have difficulty acquiring spoken language and/or augmentative and alternative communication systems, and all have needs in acquiring appropriate social use of communication. Children may have challenges with joint attention, shared enjoyment, social reciprocity in nonverbal as well as verbal interactions, mutually satisfying play and peer interaction, comprehension of others' intentions, and emotional regulation. The role of the speech pathologist at school is to evaluate the communication skills of students, explore therapeutic interventions that are the most functional and efficient for individuals, and implement therapy that will maximize opportunities for communication.
