

Cypress School- a steppingstone job for your professional future

Cypress School provides Autism and Behavioral Services for students with autism and other developmental disabilities. We are encouraging applicants that are positive, creative and artistic. We engage in physical and community-based activities daily. Preference is given to applicants with a BA and/or experience with students with autism and similar disabilities. Benefits are available for full time employees.

We are hiring a full time Teacher Aide/Transportation Aide (7:30-3:30) immediately. You get paid to commute in our vehicles! We pick up students in Marin, Sonoma, Contra Costa and Alameda County areas, drive them to our school located in Petaluma, work at the school with the students and then drive the students back home daily in our school vans. We are a year-round program with 230 days per year- 15 paid days off. Must have clear driving record, clean criminal record (fingerprint clearance required), and must be 18 years and older.

Services that are provided by Teacher Aides include teaching functional academics, independent living, communication, recreation/leisure, vocational work training and sensory regulation skills. This job has been a steppingstone for current and previous Cypress staff to careers in teaching, Occupational Therapy, Speech Therapy, Counseling, Social Work and Adaptive Technology and Assistive Communication.
