

## **Full Time Teacher Aide/Driver for CREATIVE Special Needs School Community Based program**

Are you a special person looking for more than a job? Are you ready to start a satisfying career at a company that values your commitment to helping others? If so, we are looking for you to join our team at our Cypress School.

Cypress School provides Autism and Behavioral Services for children and young adults with autism and other developmental disabilities. We are Seeking applicants that are positive, creative, engaging and team players. We engage in physical and community-based activities daily.

We have immediate openings for both full time and part time teacher aide/transportation aides. Hours are Monday thru Friday 7:30am-3:30 pm or 9:00 am to 5:30pm. Transportation aides get paid to commute in our vehicles. We pick up students in San Francisco, East Bay and Marin County area, drive them to our school located in Petaluma and back home daily in our school's passenger vans. Cypress is a year round program with 230 paid days per year. Applicants must have clear driving record, clean criminal record and proof of COVID-19 vaccination.

Services that are provided by teacher aides include functional academics, independent living skills, communication, recreation/leisure, pre and vocational work training and sensory regulation activities.
