

School Accountability Report Card Reported Using Data from the 2020–2021 School Year

California Department of Education

For Cypress Secondary School

Address: 3835 Cypress Drive, Suite #103, Petaluma, Ca. 94954 **Phone:** 415-867-2881

Principal: Nate Yates

Grade Span: high school -post secondary

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Throughout this document the letters DPL refer to data provided by the LEA, and the letters DPC refers to data provided by the CDE.

Table 3: School Description and Mission Statement (School Year 2021–2022)

Cypress Secondary School began operation in August 2007 as a non-public school for developmentally disabled children and young adults with autism and similar disabilities. In addition to autism and/or similar disabilities, our children/young adults have moderate to severe developmental disabilities, and intensive behavioral, learning and communication challenges. Cypress School has effectively supported students whose severe learning and behavior problems preclude their safe learning and/or the safe learning of others in public school special day classes. Positive behavior assessments, supports, and intervention plans have been successfully implemented across classroom and community program activities and updated as needed per student progress. Our student families are involved through planning and updating Individual Education Plans (IEP), consulting with home based activities, and participating in school picnics and parties. By emphasizing individual interests, motivation, and reinforcement strategies, our students are succeeding!

Cypress Secondary School Students ages 12-21 are being served by 230 full time Instructional Aides, four fully credentialed Special Education Teachers, a Board Certified Behavior Analyst, Speech and Language Pathologists, Orientation and Mobility, Counseling, and Occupational Therapists. Our students also benefit from consulting services from an Adaptive Technology Specialist, Music, Photography, Dance, and Gardening Teachers, Health Educator, and a Physical Therapist specializing in Hippo therapy.

School Districts include Fairfield/Suisun, Sonoma Valley, San Rafael, Novato, Santa Rosa, Cotati/Rohnert Park, Petaluma, Jefferson, Napa Valley, Ross Valley, Larkspur, Reed Union, San Francisco, Alameda, & San Mateo,

Building on individual learning strengths and utilizing best practices, multi-disciplinary, and evidence-based methods, Cypress Primary School provides students with assessments to determine learning style, IEP goals, and daily safety and community integration needs. Cypress School individualizes an adapted curriculum designed to help build meaningful skills across a variety of situations and settings in the classrooms and community. Students learn functional academics, living skills, vocational, communication, sensory and behavioral regulation, and social skills.

Coordination between the classroom teacher, Designated Instructional Service (DIS) therapists, families, and After-school Coordinator is a key element supporting our student's IEP progress throughout the school and extended school year. Transportation DIS services are provided by Cypress School staff – continuing positive behavior supports and reinforcement plans consistent with school plans and providing optimum student safety. Additional Designated Instructional Services are provided per IEP for Transition services are provided back to public school and for those moving on to adult services.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Table 6: Teacher Preparation and Placement (School Year 2020–2021)

Unknown	0	0	-	-	-	-
Total Teaching Positions	5	100	-	-	-	-

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

<p><i>School grounds, building, classrooms, therapy rooms and kitchen are in good shape. There is an ongoing janitorial crew, preventative maintenance program and school wide annual volunteer days in which community members through United Way, re-paint the entire school and make minor repairs to wall surfaces necessary. There are no current areas of the safety, cleanliness, and adequacy of the school facility that need addressing.</i></p> <p><i>There are no planned or recently completed facility improvements.</i></p> <p><i>** Cypress Primary School opened in 2014 in a brand new building that had just received a full remodel. Regular janitorial and maintenance/repair is done on a weekly basis.</i></p>

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **SARC Reporting in the 2020–2021 School Year Only**
Where the most viable option, LEAs were required to administer the statewide summative assessments for ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:
 - Aligned with CA CCSS for ELA and mathematics;
 - Available to students in grades 3 through 8, and grade 11; and
 - Uniformly administered across a grade, grade span, school, or district to all eligible students.
 - **Options:** Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:
 - Smarter Balanced ELA and mathematics summative assessments;

- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**Table 14: CAASPP Test Results in ELA and Mathematics for All Students
Grades Three through Eight and Grade Eleven taking and completing a state-
administered assessment

Mathematics (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

Note: The 2019–2020 data cells with N/A values indicate that the 2019–2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019–2020 school year.

Note: The 2020–2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020–2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020–2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020–2021 school year to other school years.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Table 29: Suspensions and Expulsions
(data collected between July through June, each full school year respectively)

Expulsions	N/A	N/A	N/A	N/A	N/A	N/A

Note: Data collected during the 2020–21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Note: The 2019–2020 suspensions and expulsions rate data are not comparable to other year data because the 2019–2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–2020 school year compared to other school years.

Addendum

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC Web Application as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC Web Application. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
